Title: Managing the side effects
of Bisperdal Consta
25mg

- Bismillahirrahmaanirrahmaan
- In The Name of Allah,
The Entirely Merciful,
The Especially Merciful

Text/Matn

1. There seems to be a ^(Major) time
leeway morning
between dhuhaa
and dhuhur, and a ^(minor) time
between after dhuhur and
asr / 4pm roughly;
where the side effects
of my medication greatly
exacerbates/increases:

I cannot figure
out why;

Allahu mustafa'an

- I am more prone
to "patterns" / the effects
of "patterns" at
these times;
